Declares under its sole responsibility, that the following product:

**SK-245      Skedco® Tactical Sked® Rescue System**

When it is carried or hoisted the Tactical Sked keeps your patient's body straight. It will not bend in the middle. Because it is narrow it forms an anatomical splint around the legs when the straps are pulled tight. It is truly the most versatile of all lightweight stretchers. For more information please contact Skedco and one of our representatives will assist you.

**The SK-245 Tactical Rescue System comes with:**

- SK-245 Sked® Tactical Stretcher
- SK-247CB Cordura Backpack
- SK-203 Horizontal Lift Slings (pair)
- SK-206B Lite carabiner

Risk Class:
