## TOOLINK M

TOOLINK M is an attachment that allows you to connect and secure a tool weighing up to 3 kg with an integrated connection hole when working at height. The ergonomic connection point allows you to quickly clip and unclip, so it's easy to use.

TOOLINK M is an attachment for securing a tool with a connection hole that weighs up to 3 kg.

Connecting to the TOOLEASH is easy with its ergonomic TPU connection point.

To make working at height easier, Petzl offers a complete solution to help prevent accidentally dropping your tool.
