## NEWTON EASYFIT European Version

NEWTON EASYFIT is a comfortable, ergonomic fall-arrest harness that can be quickly donned. It is equipped with padded shoulder straps and FAST LT buckles on the leg loops, allowing the harness to be donned with both feet on the ground, without loss of adjustment. Its lightweight, breathable design offers two zippered pockets for storing small items. The harness allows immediate access to tools, with equipment loops and slots for the TOOLBAG pouch. Its textile sternal attachment point and metal dorsal attachment point provide tremendous versatility. It is certified to European and Russian standards.

The harness is designed to keep its shape and it includes two pockets for storing small items.

The padded shoulder straps are widely spaced to reduce neck chafing.

The leg loops are padded and equipped with FAST LT buckles, allowing the harness to be easily donned with both feet on the ground. These buckles retain their adjustment settings between donnings.

Two equipment loops and two slots for TOOLBAG tool pouch, for easy tool access.

---

**Short Description** Comfortable and quick-donning fall-arrest harness

---

**Selling Points**

- Lightweight, ergonomic design:
  - Anatomical design is close-fitting yet allows optimal freedom of movement
  - Textile sternal attachment point, lightweight and abrasion resistant
  - Anodized aluminum dorsal attachment point for great durability
  - Padded shoulder straps are widely spaced to reduce neck chafing
  - Allows installation of a LIFT spreader for descending in an upright position
- Optimal comfort:
  - Lightweight and breathable construction helps the harness keeps its shape
  - Two zippered pockets, one on each side of the harness, for storing small items
  - Removable leg loop padding
  - Transparent area for quick and easy identification of the worker
- Quick-donning and easy to use:
  - Dons with both feet on the ground using FAST LT buckles on the leg loops, making it quick and easy to fasten and unfasten without loss of adjustment, even with gloves
  - FAST LT PLUS sternal buckle makes it quick and easy to fasten and unfasten the harness without loss of adjustment, even with gloves, and the buckle's unlocking system limits the risk of accidental unfastening
  - Shoulder straps equipped with self-locking DOUBLEBACK buckles for quick and easy adjustment
  - Two equipment loops and two slots for TOOLBAG tool pouch, for easy tool access
