R2

High-performance rechargeable battery designed for DUO RL and DUO S headlamps. It's durable and features quick connection to the headlamp and an energy gauge for monitoring the battery's charge level.

Short Description Rechargeable battery for DUO RL and DUO S headlamps

Selling Points

- Lithium-Ion technology offers high capacity (3200 mAh, 7.4 V, 23.68 Wh) with reduced weight and excellent performance at low temperatures
- Energy gauge allows you to monitor battery charge level
- Quick connection system to rapidly install or remove the battery
- Rechargeable with the quick wall charger
- IP67 waterproof
- Partially compatible with the ULTRA RUSH and ULTRA VARIO headlamps: reserve lighting is not available

Specification

- Recharge time: 4h
- Number of charging cycles: 300
- Certification(s): CE, UKCA
- Watertightness: IP67 (waterproof in up to 1 meter of fresh water for 30 minutes)
- Weight: 168g

Specifications by reference

Reference(s)	E103CA00
Made in	CN
