

RIGTECH PACK[™]

Keep your equipment ultra organized with CMC's RigTech Pack. This innovative pack is designed for teams that need to transport a specialized rigging solution. It's the ideal pack for carrying rope systems and kits for rescue and rope access. Internal storage is quickly accessed through the dual zip main compartment. A large selection of exterior pockets provide additional options for storage and rapid deployment. Built for heavy duty use with comfortable suspension and durable nylon construction, the RigTech Pack is a favorite of backcountry rescue teams, urban teams, and rope access technicians. It delivers an uncompromising level of organization for rigging operations. Now available in three colors: red, blue, and coyote brown.

Features:

- Heavy-duty, water-resistant 1,000-Denier nylon construction provides abrasion protection and wear resistance
- Large side pockets offer ample storage and padded protection, each measuring 38 x 15 x 7 cm (15 x 6 x 3 in)
- 6 Internal sleeve pockets with hook-and-loop keeper straps, perfect for securing and organizing hardware
- Contoured shoulder straps, sternal strap, and wide, padded waist belt add stability and comfort
- Quick-pull handle offers fast access to full-width main compartment that remains rigid for easy access to contents
- Multiple pockets provide optimal organization options
- Internal full-width sleeve for storing edge protection
- Hydration sleeve holds a large water reservoir (sold separately)
- Quick-to-deploy waterproof rip-stop nylon ground cloth: 91 x 152 cm (36 x 60 in)
- Quick-slide adjustable sternal strap with integrated whistle
- Waist belt adjusters aid in quick donning and easy adjustment
- One size fits most, available in red, blue, and coyote brown
